Frequently Asked Questions

Question	Answer
What if I don't have a British Tennis Membership Number?	Every competitor requires a British Tennis Membership (BTM) number. You can sign up for a free Lite Membership here: https://www.lta.org.uk/member/signup/?product=adult-affiliate Enter "Corporate Tennis - IP22 1JJ" as your LTA Registered Venue.
What if I don't have a British Tennis Rating?	Everyone needs a British Tennis Rating, ensure you select this option when signing up for British Tennis Membership. Or contact the LTA to add one to your existing membership.
I don't seem to be getting the email notifications about challenges.	The email notifications (i.e. when someone has challenged you) come from socialtennispyramid@gmail.com please check your spam/junk folder and add this to your trusted email addresses.
Can I cancel my direct debit at anytime?	Yes, you can join at anytime and also leave at anytime.
How often do I have to play?	There's no set amount of matches required. The app will automatically move you down one pyramid tier if you have not played a match against a lower positioned opponent every 30 days. You can monitor this via the Last Played Down indicator
Who should I challenge?	You can use the advanced search feature to search by a range of ratings, multiple locations and multiple availability. I.e. 7.1 to 8.2, West or Central London, Tuesday or Wednesday evening
What happens if my challenges don't get accepted?	If you are a 7.2 or 10.2 but actually much better than that, try beating a few 7.2s first, because higher rated players can then view your results and see that you are a much better standard.
Who should book and pay for courts?	Court/Guest fees and travel costs should be minimised where possible. For example David Lloyd Member (£25/guest) versus Ealing LTC (£0/guest if LTA Graded Match). Please use common sense.
What happens if I have paid for a court and someone does not turn up?	Please report this asap. You will be handed a walkover and move up the pyramid. More than one report of this happening could lead to a player being removed from the competition.
When will the ratings results be processed?	The results of the competition will be submitted to the LTA in line with the standard rating run periods, four times per year. See the LTA website for further details.
What if I have an improvement idea for the competition or web app?	Let us know via the contact details below, we are always looking to enhance the features of the app and make the competition better.
